

# Benefit for Bryan Hanson

**March 20, 2021, 4-8 PM**

**El Zagal Shrine  
1429 3rd St N, Fargo**

Bryan has always been busy as a father, husband, mentor, coach, team player, brother, son, program developer, and so much more. But, in November 2019, he hadn't been feeling well and was slowing down. By Thanksgiving, he had gotten worse and needed answers. Tests finally showed that Bryan had low platelets and cellulitis, which left him needing to know more. Trips to specialists ultimately found he has a rare genetic disease that causes liver failure. He was referred to Mayo where they realized Bryan's only option for a healthy life is to have a liver transplant. Due to this, Bryan has needed to make numerous trips to Mayo so he can be on the transplant list and eventually get surgery—costly for Bryan and his family in both money and time.

Please help us help Bryan and his family so they can get through all of this a little easier.

Benefit will be held online and in person— COVID permitting. Activities included will be free-will dinner, silent and online auction, and raffle.
